Technology has become an omnipresent and essential part of our everyday lives, representing boundless opportunities to explore and learn. As parents and educators, it is important to teach and promote online safety habits among children and families.

LifeLock is a proud sponsor of the National PTA. Throughout 2014, we will work in partnership to foster safe digital habits and help empower children and teens to make smart decisions as they engage with others in an increasingly digital world.

To help you and your family live more freely in a digital world, we are offering a special LifeLock 30-day free\* trial plus 10% off membership. New enrollees can also add their children through the LifeLock Junior™ program at a 10% discount.\* To learn more about these offers, please visit **LifeLock.com** or call **1-800-LifeLock** and use **promo code: PTA**
